BRAND NEW WEBSITE!!

For a while now, Maritime has needed a one stop shop to house all of our information. We have researched different website platforms and discussed ideas with outside vendors.
Amazingly enough, we have found our very own webmaster... and they are right here in our Maritime Family!
Introducing... John Taylor, the parent of Aiden Taylor (Showtime). He has hand crafted our brand new website, based on needs and the overall function of our choirs. We think he has done an OUTSTANDING job at creating a site that is asthetically and functional for all that we do!

Please visit our Martime website at:
https://mayfairmaritime.org

You will be able to access your tour account, fundraiser information, upcoming events, board meetings, the latest newsletter, and media from recent shows. You can even join Vocal Boosters! (You can also scan the QR CODE on the left and join now!)
